# Informed Consent to Massage Therapy Treatment

Dr. Brian Abelson DC. and Associates

Kinetic Health®  
Soft Tissue Management Systems  
Bay #10 – 34 Edgedale Dr. N.W.  
Calgary, Alberta, T3A-2R4

I hereby consent for my therapist to treat me with massage therapy including such assessments, examinations, and techniques that may be recommended by my therapist.

I understand that the Massage Therapist is providing massage therapy services within their scope of practice as defined by the Massage Therapist Association of Alberta (which our practitioners are members of) and by the Province of Alberta.

**Note:** We are musculoskeletal practitioners (MSK) and do not directly treat conditions such as cancer, infections, or auto-immune conditions. If you have such conditions, be sure to follow the advice of your medical practitioners.

I acknowledge that the therapist is not a physician and does not diagnose illness or disease or any other physical or mental disorder. I clearly understand that massage therapy is not a substitute for a medical examination, and that it is recommended that I attend my personal physician for any ailments that I may be experiencing. I acknowledge that no assurance or guarantee has been provided to me about the results of this treatment. I acknowledge that with any treatment there can be risks, that those risks have been explained to me, and that I assume responsibility for those risks.

I acknowledge and understand that the therapist needs to be fully aware of my existing medical conditions. I have completed my medical history form as provided by my therapist, and have disclosed to the therapist all of those medical conditions that affect me. It is my responsibility to keep the massage therapist updated about changes to my medical history. I confirm that the information I have provided is true and complete to the best of my knowledge.

I authorize my therapist to release or obtain information that pertains to my condition(s) and/or treatment to/from my other caregivers or third-party payers.

I have read the above noted consent and I have had the opportunity to question the contents and my therapy. By signing this document, I acknowledge that I have read and understood the above statements and agree to treatment based on this document. Therefore, I intend this consent to cover the entire course of treatment for my present condition(s) and for any other conditions for which I may seek treatment in the future.

### Extended Health Insurance

*(We Submit Claims from Most Health Policies)*

Both TELUS Health and BlueCross Health Care now offer a secure system that links us directly to your health care insurance, and allows us to submit your treatment claims directly to your insurance company. We, at Kinetic Health, are happy to submit insurance claims on your behalf - immediately after your payment has been processed by Kinetic Health.

All we need from you is some basic information, along with your authorization, so that we can set up the *Direct Claims Submissions* on your behalf. Here is the simple process:

1. Provide your insurance information to Kinetic Health.
2. Sign to authorize and allow Kinetic Health to submit a claim on your behalf.
3. Immediately after your treatment, pay for your treatment at the front desk.
4. We submit your claims information directly to your insurance company via a secure system.
5. Within one to three weeks (in most cases) your insurance company will either mail you a cheque, or deposit the claim amount directly into your bank account (depending on the arrangements you have made with your insurance company).

The amount of reimbursement you receive is dependent on your insurance coverage. Many insurance plans cover a set amount per year for Chiropractic and Massage treatments, while others cover a percentage of treatment (80% to 100% of treatment costs). It is well worth registering for this process, as the claim is quickly processed, and the money is soon back in your pocket!

### Motor Vehicle Accident Cases

Kinetic Health accepts MVA cases. Please be sure to notify the staff at Kinetic Health in advance if your claim is to be processed through MVA insurance.

### Worker's Compensations Board

Kinetic Health accepts WCB cases. If your claim is to be processed through WCB insurance, please notify the staff at Kinetic Health in advance.
